Subject: District 9 Report

Flag Status: Flagged

The clubs in District 9 will begin the new garden club year in September. In June, the District 9 Club Presidents met at the home of the District Director and a complete report was sent to Marilyn Wright.

The District 9 Fall Meeting is coming along. Just yesterday, a venue was found at Roxboro Baptist Church. The meeting is Saturday, October 24, 2026.

In preparation for the GCNC Fall Board Meeting on September 22, 2026, a gift basket is being prepared to be raffled. Of the 12 clubs in District 9, 9 have donated items to include in the gift basket.

There are 7 new club presidents elected. 5 presidents continue to serve.

I am still searching for a new District Director for the 2027-29 term. The District is in need of a Vice Director also.
