

DISTRICT 3 REPORT - MAY 2026

We currently have 11 active clubs in District 3, with a loss of one club that felt the state wasn't doing enough for them. Vice Director, Alison Redfoot-DiLiddo, and I have been visiting the clubs in our district and only have a few left. We have attended two 75th anniversary events, a silent auction and a live auction, an afternoon tea, and meetings with programs on Japanese Gardening, Gardens in Europe, birds, native plants and other topics. Despite only receiving four President's Reports, the clubs in District 3 have been very busy. One club has contributed seeds from their own gardens and collected seeds from garden shops to add to their seed sharing library at the Charlotte Library. Another is hosting a Run for the Roses celebration and Davidson hosted their annual Symposium. Monroe collected 1,000 pounds of soft plastic. That earned them a TREX park bench which they donated to the Senior Center where they meet.
